

Note: Housing Numbers in Local Plan Part 2 (LPP2) November 2020

The housing supply figures used in the pre-submission version of Local Plan Part 2 have slightly changed. The housing supply figures to 1st April 2020 are now as follows:

Para 7.4 Godalming – The number of homes that exceed the minimum housing target set out in Local Plan Part 1 is now 122 dwellings

Para 7.10 Haslemere – The number of homes completed is 199, the number of homes with outstanding planning permission is 326 and windfalls are expected to contribute a further 152 new homes. This is a total of 677 commitments leaving an outstanding requirement to allocate a minimum of 313 homes through Local Plan Part 2.

Para 7.17 Milford and Witley - The number of homes completed is 63, the number of homes with outstanding planning permission is 212. This is a total of 275 commitments leaving an outstanding requirement to allocate a minimum of 205 homes through Local Plan Part 2
